# About Sun2Earth Solar

“Sun2Eath Solar” was Established in 2014 in Surat (Gujarat). The core idea behind Company is to focus on Green Energy solution. It's the latest venture into renewable market by a group of companies having a glorious history of over 20 years in engineering and manufacturing activities.

“Sun2Earth Solar” has Solar PV Module manufacturing capacity of 100MW's at its plant in at Surat (Gujarat). Sun2earth Solar providing EPC services, project development, rooftop solutions, and solar water pumps.

“Sun2Earth Solar” currently manufacturing 3 watt to 540 watt solar PV Module using Poly, Mono & Mono PERC-MBB, TOPCon solar cells, with 100% EL tested and positive tolerance.

## Vision

“Efforts to make the solar system more affordable and easier for resident and industrial. “

## Mission

Save the environment tradition energy sources & energy consumption from energy in order to reduce energy firm using renewable To be a complete Renewable. “

## Core Value

As a global company, sun2earth solar provides international standard products.

# Manufacturing

With the clean room manufacturing facility along with state-of-the-art production and semi-automated plant, Sun2earth Solar has most advanced technology.

Our manufacturing plant, spread over a sprawling 25,000 sq.ft. area campus located in Ena Village, Surat.

Sun2earth Solar manufactures a wide range of 12 Volt Solar modules Poly, Mono, Mono-MBB, TOPCon for DC System, all in one street lights & off-grid systems. We can design solar modules as per customer requirement.

We also supply modules for roof-top projects & utility scale projects.

# Quality Products..

01

Products:

Well Qualified Products are prepared according to customer's necessity and expectations. Production made with international standards

02

Continual improvement:

products with high quality and reliability produced at a competitive cost and improve in productivity constantly.

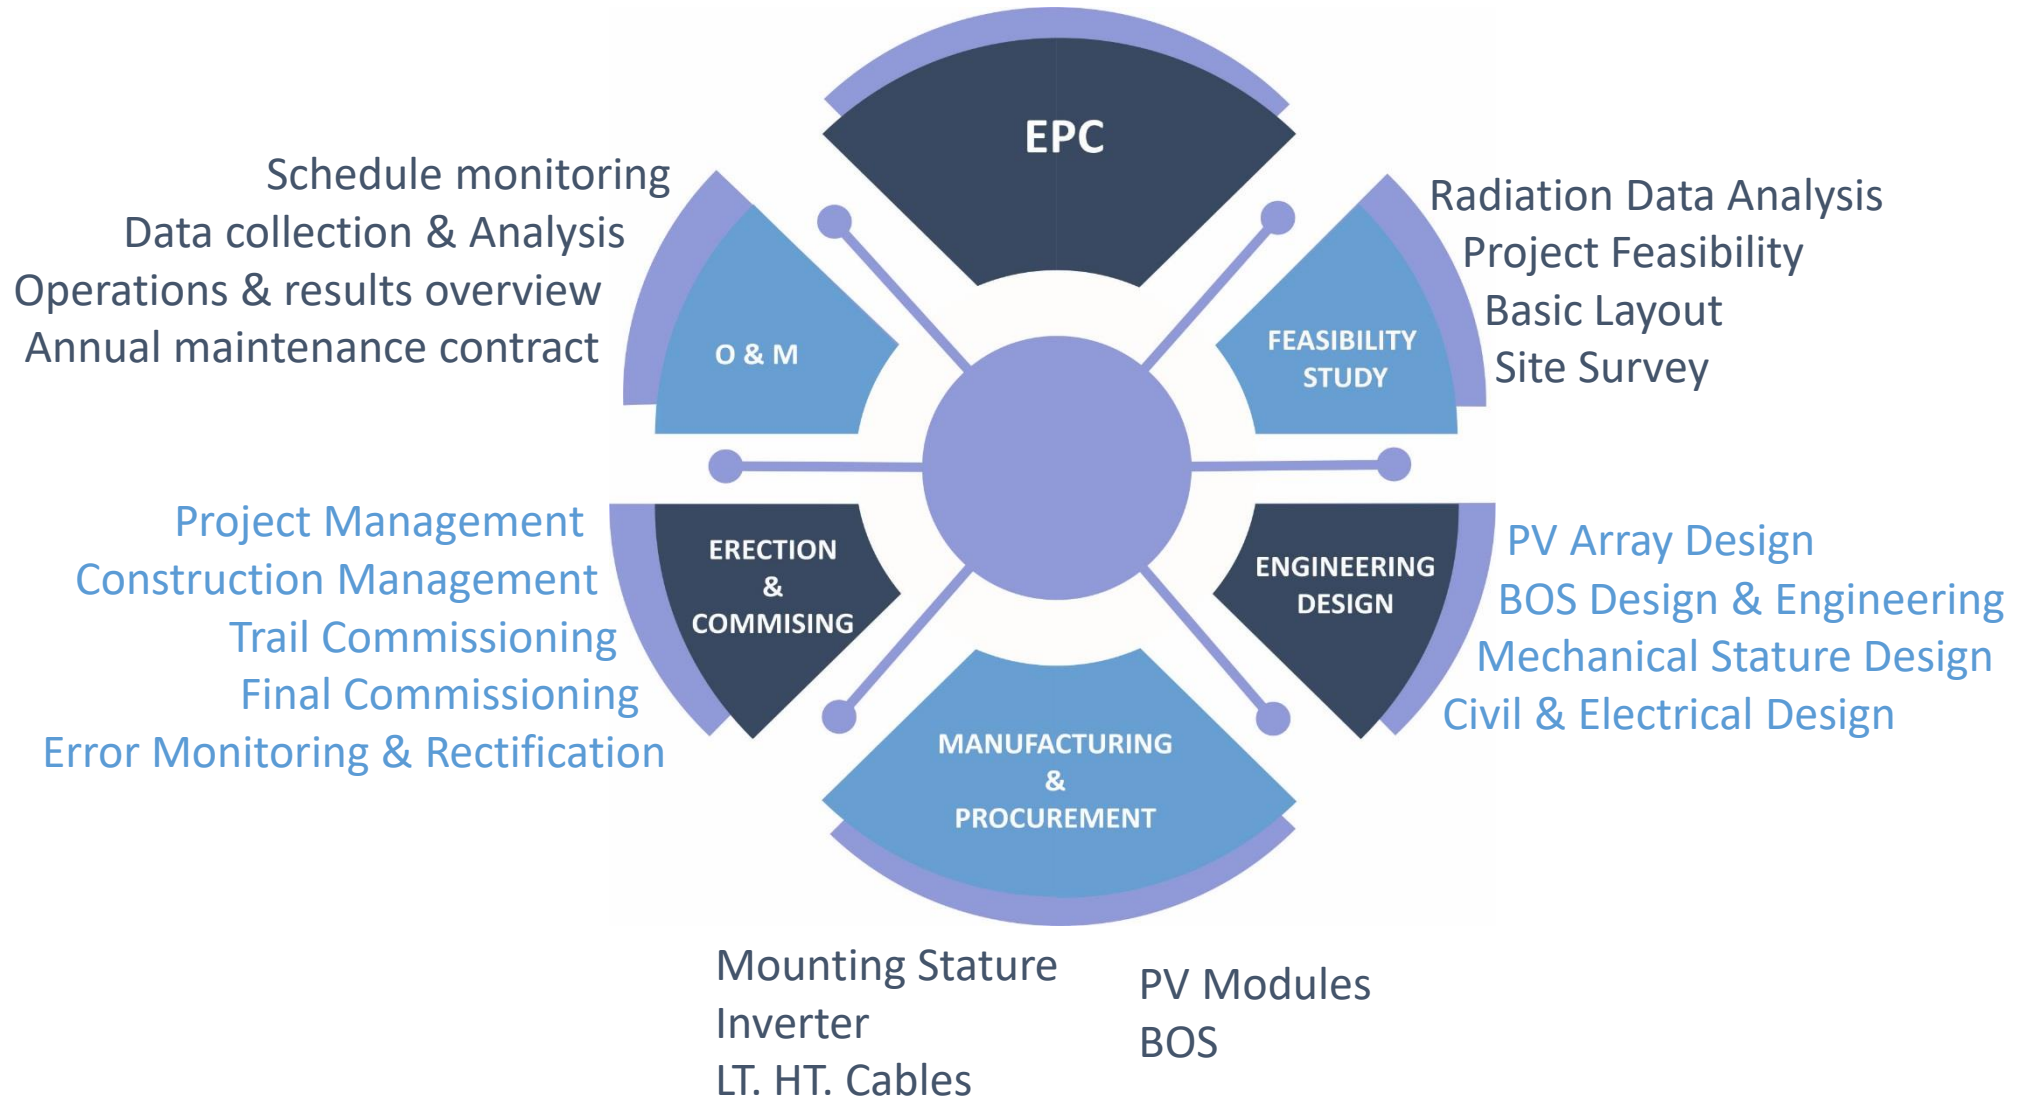

03

Customer Satisfaction:

A promise of our development only under constant improvement on service and seething for excellent quality we can upgrade our competitive ability and create the demand of our customers to achieve the goal for a sustainable business operations

# Projects & Customers

We have done more than 3.00 MW roof top projects in south Gujarat.

- Crompton Greaves Consumer Electrical Ltd
- Eveready Industries India
- Tech sun Bio
- India Impex (Sunlite)
- Lumens India (KC Fixture)
- Intelux Electronics Pvt. Ltd.
- Eternity Power Solutions Private Limited
- Trafitronics India Private Limited
- Fevino Industries LLP

We also done OEM for many reputed companies.

**Marketing and Registered Office Address:**

3013, World Trade Center, Near Udhana Darwaja Ring Road,  
Surat-395002

**Manufacturing Facility Address:**

BLOCK NO. 331, ENA TUNDI ROAD, NEAR ENA CHAR RATA, ENA,  
TA. PALSANA, DIST. SURAT - 394310.
